Length:	28m
Crew:	4
Guests:	up to 12
Speed:	12 knots
Electricity:	220W/European plugs

ACCOMMODATION

Four welcoming cabins, three featuring hatches opening to the deck. All cabins have private bathrooms with showers and good storage areas.

The Owner's suite has two double beds, a private bathroom with separate shower, hatch to the deck, porthole and ample storage space.

Two cabins can accommodate up to three people each, featuring one double bed and a murphy bed, private bathroom with separate shower and ample storage space. Hatch to the deck and a porthole. One cabin with an upper and lower bunk, private bathroom, and deck prisms.

Around Duchess:

We can find three indoor sitting areas, an air-conditioned dining area that can accommodate all guests in one sitting. And two other separate areas ideal to relax or enjoy a drink. A small library with a supply of reference books will be available in one of the areas.

Outside you can find an undercover sitting area ideal to sit back, unwind and watch the world go by.

There is a magnificent swimming platform aft of the yacht, with a ladder to the water level which provides easy access to any water-based activities. A freshwater shower is also available.

Unrivalled Experience

Throughout your journey our experienced and dedicated expedition team and crew will endeavour to make every moment filled with memories to last a lifetime.

With over thirty years of experience, we have a deep understanding of the foundations of small expedition cruising. We build unique itineraries, provide high-value options that are supported by exceptional client services. At Expedition Experience we believe no two journeys are the same, our aim is to provide you with a true and unique experience.
