

EXPEDITION EXPERIENCE

Welcome on board KLARA

A new concept in expedition yachting

INTRODUCING KLARA

Welcome on board KLARA – your home away from home, venturing into places where larger vessels are not able to, taking us through less travelled paths and natural wonders.

KLARA is a three-mast Schooner, purposefully designed and built for expedition cruising.

Reminiscent of iconic fishing vessels like Bluenose (a symbol of Nova Scotia), she is a true sailing ship that combines vintage charm with modern amenities.

Whether sailing Canada's Maritime provinces, exploring the coastal areas of Central America or island hopping in the Caribbean, KLARA is the ideal platform for our adventures. We plan to do most of the journey under sail, minimising her carbon footprint and allowing for the thorough enjoyment of outdoor facilities.

Small but capable, KLARA can comfortably accommodate up-to 36 passengers in 18 cabins spread across two decks, allowing for a more personal experience. A restaurant with seating capacity for all travellers and an outside bar by the jacuzzi pool provide the perfect setting to unwind after a day of activity. It has a swimming platform, ideal to launch activities such as stand-up-paddle boarding, kayaking, swimming, and snorkelling. On certain departures scuba diving can also be on offer.

KLARA carries one Rib and two Zodiac Mark V inflatables to take all passengers at once away from the vessel for daily adventures, kayaks, stand-up-paddle boards, snorkel gear, hiking poles and Scuba diving gear (certain departures).

TECHNICAL INFORMATION

Built:	2019
Register:	Croatia
Length:	62m/208ft
Crew:	up to 12
Guests:	36
Speed:	11 knots/20.37km

KLARA boasts a range of amenities to enhance your onboard experience. A small gift shop offers a selection of convenience and souvenir items sourced responsibly, allowing you to take home something special from the journey. A coffee/tea station located in the restaurant will be available 24 hours.

Sun deck/Upper deck

For those wanting to enjoy the sun and the view, grab a chaise lounge and find the perfect place to sit and soak in the incredible views from the vessel. A casual seating area, with tables and comfortable sofas, can be found near the open-air bar and the jacuzzi. Enjoy KLARA's breathtaking sights and watch the sea wind fill her sails as she travels from destination to destination.

Exceptional Dining

Located on the Lower deck, the generous, air-conditioned dining room accommodates all guests in a single seating. It is equipped with a full-service bar, entertainment system and a central buffet table.

Just aft of the dining room, there is access to a hard-top covered deck area where alfresco dining can be enjoyed comfortably during voyages and in most weather conditions.

Our team of talented chefs will create exceptional cuisine, showcasing the best possible local specialities. Our priority is to source local produce to support the local communities.

Special dietary needs can be accommodated with advance notice.

EXPEDITION EXPERIENCE

Unrivalled Experience

Throughout your journey our experienced and dedicated expedition team and crew will endeavour to make every moment filled with memories to last a lifetime.

With over thirty years of experience, we have a deep understanding of the foundations of small expedition cruising. We build unique itineraries, provide high-value options that are supported by exceptional client services.

At Expedition Experience we believe no two journeys are the same, our aim is to provide you with a true and unique experience.
